

SUPREME PRESIDENT OF THE LARGE CLASS INITIATION

BANQUET GIVEN BY LOCAL LODGE

Members of Fraternal Union of
America in This City En-
joy Meeting.

Supreme President F. F. Roose of the Fraternal Union of America was entertained last night at a banquet given in his honor by Evergreen lodge No. 151 at Odd Fellows hall. It is the first visit of the ranking officer of the order to the local lodge since it was organized ten years ago.

Prior to the banquet the supreme president participated in the initiation of a class of twenty-five, after which he instructed them in the secret work of the order. An address of welcome by Fraternal Master Heber A. Stirling was responded to by the visitor, who briefly reviewed the work and progress of the order in late years.

The banquet hall was appropriately decorated, and in connection with the material good things there was a musical and literary program furnished, as well as a number of addresses, participated in by many of the 100 seated at the table.

Mr. Roose is one of the most widely known men in fraternal fields in the country. He is connected with many orders and is a past officer in nearly all. Today he leaves for Ogden, where a reception will be extended to him tonight. Six weeks will be consumed in a trip through Montana and the coast cities, after which he will return to Denver, the headquarters of the order.

SEWER CLAIM IS "DIRTEST FRAUD"

Councilman J. D. Murdoch De-
clares Himself Most Forci-
bly Before Council.

Characterizing the claim of \$30,458.67 for concrete repairs on the wooden sewer out-let pipe as the "dirtest fraud ever perpetrated upon this public," Councilman James D. Murdoch last night made the most bitter attack that has yet been heard upon the floor of the city council in connection with the sewerage sewer-

—the most shameful of the list of American disgraces on the record of the American party.

Mayor John S. Bransford has taken the role of chief advocate of the payment of the Murdoch claim. He is the one who ordered the repairs made and signed his name to the report of a special committee that the claim was allowed.

In the attacks made upon the claim last night it was brought out that the records of the inspectors in the office of the board of public works are absolutely worthless in the matter, that the committee had nothing upon which to base its favorable report, but still approved the bill, that the city engineer's office accepted almost without protest or investigation the records of the contractor in the matter, and that to use the amount \$30,458.67 for concrete repairs on a sewer pipe that was not broken and that there would have to be concrete two feet thick on every foot of that wooden sewer pipe.

As a result of the merciless attack of Councilman Murdoch, the names of Councilmen L. E. Goshen, J. D. Murdoch, G. H. Raybould are added to those of L. D. Martin, F. S. Fernstrom and T. R. Black who were reported two weeks ago. These will meet at 10 o'clock Thursday morning in the council chamber with a representative of the city engineer's office, Clerk Frank Christensen of the board of works, members of the board of works, P. J. Moran, city engineer, Inspectors Williams and Thomas of the board, who kept records on the work, and Mayor John S. Bransford, who signed the councilman as cars to attend.

Hall Starts Fight.

Councilman Hall started the fight upon the work, after a statement had been made by George G. Chaney, assistant city engineer, in regard to a checking he had made several weeks ago. Mr. Chaney said he had scarcely looked into the matter and had to take the reports of the board of works, Inspector Thomas and Frank Gowans, representative of P. J. Moran.

"I have made an investigation of this matter," said Councilman Hall, "and I want to say now that it is a disgraceful condition. Gentlemen, if there is any cement in the sewer pipe, there is 1.400 feet as Mr. Moran claims, then there is one cubic yard of concrete for every 100 feet of sewer pipe. The pipe was not weak; it only leaked. Our city engineer nor any other engineer has any brains in his head and they will not approve any such thing. I tell you now there should be some excavating done to see how much concrete was around that pipe. And there would have been no trouble at all if the contractor had followed the specifications drawn by the city engineer. Three thousand feet of the pipe was in good condition and did not leak and the other 1,400 feet was not good, the taxes that were levied on this claim, however, have been taken out and new ones put in to stop the leaks.

"If this claim is not approved, I hope some public-spirited man will file an action in court and enjoin the city from paying it. It is the dirtest fraud ever perpetrated upon this public."

GOVERNMENT WORKERS GOVERNMENT

Republican Party Workers
Make Most Gratifying Re-
ports at Headquarters.

Gratifying reports of the spread of Republican sentiment throughout the city were made last night at a meeting of the Republican city committee at the party headquarters in the Dooly block. A check-up of the campaign made by the party workers, who have been quietly and effectively ascertaining the voting strength back of the Republican ticket, showed it to be most satisfactory. In the west side especially a strong Republican sentiment was found.

A quick, but vigorous effort was made today to get out a heavy registration of Republicans. Workers will be out in most of the districts and they will not overlook any bet when it comes to lining up those favorable to the Republican cause. A large force of workers will be on hand at headquarters to help in the work of registration and a dose of water will be kept for the workers.

The ward committee of the Fourth and Fifth municipal wards will meet Wednesday night at Republican headquarters in the Dooly block for the purpose of selecting candidates to fill the vacancies on the ticket, caused by the resignation of Rev. E. J. Goshen, long term nominee, and Dr. G. B. Pfoutz, short term nominee, in the Fifth ward, and Rev. B. B. Short, long term nominee in the Fourth ward.

Among those favorably mentioned in the fifth ward to fill the long term vacancy is John M. Knight, the present candidate, who has always been a Republican. While a number of names have been advanced as likely candidates for the short term, none

America.

looked upon with the most favor are Henry Cohn and Louis Conn. Both of these men are well known in the city and are among its recognized business men of worth.

There seems to be plenty of good timber to fill the vacancy in the "good ward," John E. Bennett and Milton E. Lippman are among the number mentioned as likely candidates for the long term nomination in this ward.

PRESIDENT IN CITY OF ANGELS

Automobile Ride, During Which
the School Children Were
Reviewed.

Los Angeles, Cal., Oct. 11.—President Taft arrived in the hospitable clime of southern California today and received an enthusiastic greeting. He visited first the deep water and inner harbors of San Francisco, before the city of angels, and an hour and a half inside the big government breakwater.

Returning to Los Angeles at 1 o'clock, he was taken for an automobile ride of two hours through crowded streets. The President passed in review of the school children and made no address to them, in which he sought to inculcate a lesson in patriotism by catechizing them on the meaning of the flag and the idea of the liberty which it represents.

This evening Mr. Taft was the guest of honor at a banquet at the Shriners auditorium, which, in point of numbers and in lavishment of decoration proved to be one of the most magnificent of his trip.

Visiting His Sister.

The President's visit to Los Angeles primarily was arranged that he might spend a day or two with his sister, Mrs. E. B. Taft, who is residing in the city. He rested at his sister's home for a time during the late afternoon and spent the night in the Tropical park, near the Arcade railroad station, that the President, alighting from his private car, was specially welcomed by the city Mayor Alexander and a large committee of citizens. It was in this park also that the President, accompanied by his sister, Mrs. Taft, and a large number of friends, attended the brief ceremonies held when Mrs. Taft dedicated an automobile to the city of yellow chrysanthemums and at the head of twenty-five other cars his party and the committee of welcome were given thorough tours of the downtown and residence sections of the city.

Scene at the Banquet.

At the banquet in his honor tonight the President dined beneath a Spanish pergola laden with flowers and fruit. The entire auditorium had been transformed into a bower of roses, chrysanthemums and other flowers, and the season's election, being glowing in the ceiling and twining about pillars in the decorative scheme added their touch of color to the scene. The banquet was a most successful one and the President was highly gratified.

Six Mexicans, arrested in this city last night for public utterances in connection with the election of President Taft and Diaz, were held by the authorities today and will be taken to the city of Mexico for trial. The President's visit to El Paso and Juarez, Mexico, next Saturday.
